## about bobike

explore the world safely

*Are you ready  
to start exploring?*

Bobike has a fast collection of products to support cycling commuting adventures safely in style and introduce your children to a happy and healthy lifestyle in a fun and playful manner.

Bobike's bicycle safety seats are designed in the Netherlands, produced in Europe, and can be recognized for their stylish, modern look. Bobike's safety seats are in the market for more than 35 years and have won several awards, including an iF Design Award, and recently the EQTM (European Quality Trademark) recognition.

### **Unmistakably Bobike**

And when you use a product that often, we believe it should look damn good.

That's why the Bobike collection is continuously updated. Our designers have a passion for fashion and interior design. They closely follow trends to make sure our safety seats perfectly match the bikes currently on the market. This shows in the colors we use and in the details, you find in our safety seats which make them unmistakably Bobike.

## we take safety seriously

at bobike, we live and breathe safety

It might not be the coolest thing to do, but you'll appreciate us for it. Quality control, performance analysis, and safety tests are the most important parts of product development. Of course, we comply with all legal requirements and meet the highest industry standards, but we don't stop there. We have built our own modern quality control center with all the technology required to ensure that our products comply with the standards imposed by regulatory bodies.

*But when we test, we double the standard.*  
It's how we roll.

### Bobike safety seats are recognized with the EQTM label.

EQTM recognition was issued by the European Organization for Quality, which is one of the most reputable quality organizations in Europe. The process of obtaining EQTM was professionally managed and controlled by an EQTM Committee. EQTM could be obtained only for products of European origin, and manufactured by companies that are able to continually sustain the agreed quality.

Bobike, Simply safe

Although Bobike offers several different models of safety seats, our focus when designing a seat is always the safety of the child that will be transported in the seat.

*That's why every single Bobike model features a double-walled construction.*

### A double-walled construction consists of two sturdy walls.

The inner-wall that is in contact with the child's back, is slightly softer to ensure a comfortable ride. The outer-wall is more sturdy and rigid and is designed in order to create a void between the two walls and therefore the child.

If the seat gets impacted, it won't touch the child.

We often talk about double-walled safety, **a feature that is unique and exclusive of Bobike**, and hopefully, now you understand what we mean. But if you care as much about your child's safety as we do, you only need to remember one thing: Bobike.

For more information on double-walled safety, visit:

<https://Bobike.com/en/page/we-take-safety-serious>

© Registered Design

# we care about the future

sustainable development goals

The ONU Sustainable Development Goals are a call for action by all countries, and for all brands. Bobike makes part of this global movement and has some real frameworks in Goals 10,12 and 13.

## Curious?

*We all have a huge role to play if we want a sustainable world.*

Year after year, we focus on reducing our ecological footprint.

-0,76% water consumption

-5,3% in waste

-4,3% in electricity

**GOAL 12 - RESPONSIBLE CONSUMPTION AND PRODUCTION**  
Less environmental impact in Bobike 2021 production.

## Green packaging

We are renewing the entire brand packaging, making it even more sustainable and efficient by reducing to the most disposable materials (adhesive tape, plastic bags, cardboard...). We've started in the One® by removing an average of 250g disposable items per seat. Seems like nothing, but if you do the math, in 1000 seats we saved 250kg of disposable materials.

Bobike packaging is 100% recyclable and reusable, so we are encouraging our customers to give Bobike packaging a second life. Bobike is using certified paper of sustainable origin (FSC®) and reducing printable areas by using less ink.

Step by step we are making efforts to transform bobike into a 100% sustainable brand.

## One® bee friend

Did you know that the livelihood of bees is endangered? Bees play a crucial role in agriculture everywhere and represent an irreplaceable link in food production. Bees help produce more than 30 percent of the world's food.

Alarmed by this news and inspired by the color of our Bobike ONE mighty mustard, we decided to donate a part of the proceedings of every mighty mustard seat sold, to an organization that helps preserve bees.

**GOAL 13 - CLIMATE ACTION**  
One Eco Range | Sleep Role | New sustainable packaging

## Bio-Based materials

Our aim is to continue to come up with the best solutions to develop products made from bio-based materials.

The Bobike Sleep Roll is made with 50% sugarcane it is a more sustainable and environmentally friendly option. Sugarcane - a bio-based material - is the main source of sugar in the world and is also important in the production of renewable energy and bio-based materials. It captures and fixes CO<sub>2</sub> from the atmosphere at each annual growth cycle. Sugarcane cultivation is naturally irrigated by the rains in the producing regions and measures are implemented to ensure that its cultivation does not threaten the main areas of biodiversity.

## Recycled Materials

Through recycling technology, we were able to transform bicycle seat parts that are rejected in the mass production process into new recycled material and incorporate it into the production of new seats in non-structural components.

# ColorADD

the color alphabet

“Reducing inequalities and ensuring no one is left behind are integral to achieving the Sustainable Development Goals.”

*United Nations*

This framework lead Bobike to join the ColorADD project so that our colors can be seen by everyone. It's estimated that are 350 MILLION COLORBLIND WORLDWIDE. So now one you will find this alphabet in our products labels.

## How it works

ColorADD is a unique, universal, inclusive, and non-discriminative language that enables the colorblind to identify colors, with a wide spectrum of use on companies/entities whenever color is a factor of identification, orientation or choice.

*Because, color is for all!*

GOAL 10 - REDUCED INEQUALITIES

90% of all information in the world uses color to communicate.

1 in 12 male are colorblind.

1 in 200 female are colorblind.

90% of the color blind needs help buying products.

41% feel some difficulty in socially integrating.

## Go<sup>®</sup> mini spare parts

to replace a lost or damaged part of your Bobike Go<sup>®</sup> mini seat

*new*

### A-head Adapter plus - accessory

With this new A-head Adapter Plus, you can easily mount a safety seat on a bike with an A-headset on bikes with 1 1/8 stems. An adjustable stem remains usable, and the display or controller of an electric bike can also stay in place. Required installation space is only 4mm / 0,16". See more p.84

**Ref.** 8015300296

### Mini Combination Lock - accessory

Extra security and protection for your Bobike front seat or windscreen. The combination lock is easy to install (see website for video guide) and fits through the hole in the steel leg under the mounting block.

**Ref.** 8015300205

### Universal Bracket

This mounting bracket is already included when you purchase a Bobike mini seat. If you want an additional bracket or need a replacement, this is the spare part you need. This bracket fits standard steering tubes Ø 22 to 32 mm and MTB bikes steering tubes: 1-1/8". Meets EN14344 safety standard. The measurements of the universal bracket are: 10 x 8 x 3,5 cm or 3,94 x 3,15 x 1,38" (W x D x H).

**Ref.** 8015300043

### Footrests

Replacement footrests for the Bobike Go<sup>®</sup> mini.  
Sold per set, including straps.

**Ref.** 8015300146

### Steel Windscreen Bar

Replacement windscreen attachment bar for your Bobike Go<sup>®</sup> mini + windscreen. The bar fits in the same assembly block that is used to mount the seat as well as in the A-headset adapter. Improved for better stability.

**Ref.** 8015300215

### Bobike Go<sup>®</sup> Cushion

Replacement waterproof soft cushion for the Bobike Go<sup>®</sup> mini.

**Ref.** 8015300237

**Go® maxi**

# Go<sup>®</sup> maxi

rear bicycle safety seat for carrier or frame mount

The carrier mounting system is supplied fully assembled. The seat can be moved backward and forwards according to any carrier and child size. Compatible with carriers, in accordance with ISO 11243.

The frame mounting system features a safety holder with green indicators - on when the seat is properly installed. The seat system allows moving the seat backward and forward in 3 positions, according to child and bicycle size. Fits in round tubes and is able to accommodate the brake cable.

## Go® maxi spare parts

to replace a lost or damaged part of your Bobike Go® maxi seat

### Safety Frame Holder

The ideal spare part if you want to use the Bobike Go® maxi frame mount on two different bicycles. Ideal for commuting. Fits frames from Ø28 to 40 mm. Requires 105mm mounting space on the seat tube to be installed. Fits round tubes, and was designed to accommodate the brake cable, preventing it from being pinched. Inside, a rubber pad will also prevent the frame from getting damaged. Tools included.

Ref. 8015300194

### Maxi Combination Lock

Extra security and protection for your Bobike seat, now available as a spare part. The combination lock is easy to install (see website for video guide) and fits through the little hole in the footrest part of your Bobike Go® rear seat. Length - 85 cm.

Ref. 8015300206

### Footrests

Replacement footrests for the Bobike Go® maxi. Sold per set, including straps.

Ref. 8015300175

### Safety Belt

Replacement safety belt for the Bobike Go® maxi. Safety buckle that can be operated with one hand, is included. No tools needed.

Ref. 8015300195

### Cushion

Replacement cushion for the Bobike Go® maxi. Waterproof and comfortable.

Ref. 8015300196

### Metal Mounting Bar for frame

Replacement Metal Mounting Bar for your Go® frame's seat. This Metal Mounting Bar also fits in the same assembly block used to mount the Go® frame's seat. This Metal Mounting Bar complies with the EN 14344 safety standards and is suitable for 26" to 28" bikes.

Ref. 8015300213

### Metal Mounting Bar for Small Frames and 29ers

The ideal solution for bikes with small frames or 29" wheels.

This bar pushes the seat up and back to be placed in a position that will not touch the wheel. For full assembly you also need the safety frame holder spare part. Only available as a spare part for Go® frames.

Ref. 8015300218

## Go® Kids Bottle

water bottles for kids

new

Bobike has a new collection of kids' water bottles to keep your kid hydrated while playing or riding.

These new bottles feature a "shaker" tip type, that will promote the drinking independence of your children since they resemble the grown-up utility bottles.

Covering the water flow channel will also increase the cleanness of the drinking contact zone.

The tip was designed to provide a regular hi-flow of liquid and to easily be used by tiny hands.

All Bobike water bottles are BPA-free.

The new bottles comply with the food contact regulation 10/2011.

# Go® helmets

safety helmets xxs, xs & s

Offer your baby extra protection with a helmet that matches the Go® safety seats perfectly. The Go® helmet features several vents (xxs-6 vents/xs and s-9 vents) to keep your baby's head cool and a bug net that provides protection against flying insects.

The Easy-Lock system lets you easily adjust the helmet to the correct size and the reflective safety decals ensure that your baby is visible when it is dark out. Complies with Standards EU regulation 2016/425 EN1078.

# one®

Bobike one® 2023 novelties

## one® eco

The best compromise between sustainability and safety.

*The entire bobike one® range is greener.*

Without compromising safety and keeping the same standards, all Bobike One® colored back covers are now made from 100% recycled material and are 100% recyclable. But with the goal of turning the One® even more sustainable we've launched the bobike One® eco model which incorporates 30% of recycled material in the exterior shell, creating a unique seat. No two One Eco seats are the same. The full production process was also revised to make it more ecological and therefore reduce the CO2 emissions during the One® production. Component by component, step by step we are moving towards a more sustainable future.

## one® mighty mustard

For each seat sold in the mighty mustard color, we give a percentage for Worldwide Bee Saving ONG. That's just another way to help preserving the environment.

NEW ONE® JUNIOR

**one® eco**

**one® eco**  
front and rear bicycle safety seat

Bobike One® eco, the best compromise between your child's safety and the protection of the environment.

Through recycling technology, we are able to transform bicycle seats that are rejected in the production process into new recycled material and incorporate it into the production of new seats. The back covers (a non-structural component) are currently produced with 100% recycled material, and are 100% recyclable. The bobike One® eco also has the particularity that the front shell (a non-structural component) is produced with 30% recycled material, which gives it that unique marbled look and no two eco seats are the same. The best compromise achieved between sustainability and safety. Safety first.

**Our commitment to Planet Earth is to combine sustainability with technology to increase the amount of recycled material, always ensuring safety.**

**30%**

## one® mini spare parts

to replace a lost or damaged part of your Bobike one® mini seat

*new*

### A-head Adapter plus - accessory

With this new A-head Adapter Plus, you can easily mount a safety seat on a bike with an A-headset on bikes with 1 1/8 stems. An adjustable stem remains usable, and the display or controller of an electric bike can also stay in place. Required installation space is only 4mm / 0,16". See more p.84

**Ref.** 8015300296

### Mini Combination Lock - accessory

Extra security and protection for your Bobike front seat or windscreen. The combination lock is easy to install (see website for video guide) and fits through the hole in the steel leg under the mounting block.

**Ref.** 8015300205

### Universal Bracket

This mounting bracket is already included when you purchase a Bobike mini seat. If you want an additional bracket or need a replacement, this is the spare part you need. This bracket fits standard steering tubes Ø 22 to 32 mm and MTB bikes steering tubes: 1-1/8". Meets EN14344 safety standard. The measurements of the universal bracket are: 10 x 8 x 3,5 cm or 3,94 x 3,15 x 1,38" (W x D x H).

**Ref.** 8015300043

### Footrests

Replacement footrests for the Bobike Go® mini. Sold per set, including straps.

**Ref.** 8015300146

### Steel Windscreen Bar

Replacement windscreen attachment bar for your Bobike Go® mini + windscreen. The bar fits in the same assembly block that is used to mount the seat as well as in the A-headset adapter. Improved for better stability.

## one® maxi spare parts

to replace a lost or damaged part of your Bobike one® maxi seat

### Safety Belt

Replacement safety belt for the Bobike One®. Safety buckle that can be operated with one® hand, is included.

No tools needed.

Ref. 8015300223

### Footrests

Replacement footrests for the Bobike One® maxi made out of 100% recycled material. Sold per set, including straps.

Ref. 8015300175

### Maxi Combination Lock - accessory

Extra security and protection for your Bobike seat, now available as a spare part. The combination lock is easy to install (see website for video guide) and fits through the little hole in the footrest part of your Bobike One® rear seat. Length - 85 cm.

Ref. 8015300206

### IP Mounting Set (Bar + Bracket)

For bikes without a carrier. If you want to mount a Bobike seat with EASY adjustment but your bike does not have a carrier, or if your carrier is not compatible, the I Point Mounting Set is your solution. You mount it on the seat tube of your bike and it will fit frames with round tubes with a diameter between Ø 28-40 mm and is suitable for 26", 28" bikes. The I-point Mounting Set complies with the EN 14344 safety standards.

Ref. 8015300145

### IP Mounting Bar

Ref. 8015300141

### IP Mounting Bracket (tool included)

Ref. 8015300142

### E-bike Luggage Carrier- EASY Mounting System (E-BD)

Bobike's EASY mounting system ensures super quick installation and makes it a breeze to switch the seat between bikes. The EASY mounting system fits on carriers with a width of 120 - 175mm and was specially designed to fit on e-bikes and regular bicycles. The EASY mounting system complies with the EN 14344 safety standards.

Ref. 8015300053

### EASY Clamps for Wider and Special Shaped Carriers

Exchange the clamps of your EASY mount plate with these clamps for special carriers and safely mount a Bobike One® on carriers with a width between 125-180 mm and with round or oval tubes with a diameter between 16-23 mm.

Ref. 8015300200

one® junior

# one® junior

rear bicycle safety seat for carrier mount

The new One® Junior seat brings the sturdiness and practicability that your junior kid needs to cruise along with you. Offers support for children from 6 to 10 years old, up to 35kg, that are old enough to sit independently on the back of your bike but cannot quite cover longer distances by themselves, or that still enjoy riding along with their parents.

The One® Junior features a modern and elegant and sturdy design that will easily match any bicycle equipped with a luggage carrier that can hold loads up to 38 kg. The back support is foldable – which is a unique feature ideal for storage purposes, or for those commuters who need versatility and space to transport other items since you can still use your original rack rubber bands. Besides its ergonomic shape, the back also features a rear safety reflector for enhanced road visibility.

The safety lap belt keeps them from standing up, this feature along with a super-tight grip provided by the rubbery cushion will provide the kid the maximum comfort and stability for a safer ride.

The One® Junior comes standard with wheel protection and retractable footrests to prevent the feet to be in contact with the spokes.

## exclusive® mini plus spare parts

to replace a lost or damaged part of your Bobike exclusive mini

*new*

### A-head Adapter plus - accessory

With this new A-head Adapter Plus, you can easily mount a safety seat on a bike with an A-headset on bikes with 1 1/8 stems. An adjustable stem remains usable, and the display or controller of an electric bike can also stay in place. Required installation space is only 4mm / 0,16". See more p.84

**Ref.** 8015300296

### Cushion + Pin

Replacement cushion for the Exclusive mini plus. Easy to clean, waterproof, and available in colors to match your seat. The cushion is only fastened onto the back of the seat. The other hole is meant for drainage and should remain open.

**Cushion Ref.** 8015300241 (urban black/urban grey) | 8015300242 (safari chic) | 8015300243 (cinnamon brown) | 8015300244 (denim deluxe) | 8015300220 (toffee brown)

**Pin Ref.** 8015300114

### Shoulder Pads

The Exclusive mini plus features a new safety belt with comfortable shoulder pads. These shoulder pads are made out of the same high quality, waterproof material as the cushion and come in a color to match the seat. The velcro closure makes them easy to adjust and replace.

**Ref.** 8015300253 (urban black/urban grey) | 8015300254 (safari chic) | 8015300255 (cinnamon brown) | 8015300256 (denim deluxe) | 8015300257 (toffee brown)

### Footrests + Footrests Straps

Replacement footrests for the Exclusive mini plus. Only available in black.

**Ref. Footrests** 8015300117

**Ref. Straps** 8015300137

### Mini Combination Lock - accessory

Extra security and protection for your Bobike front seat. The combination lock is easy to install (see website for video guide) and fits through the hole in the steel leg under the mounting block.

**Ref.** 8015300205

### Universal Bracket

This mounting bracket is already included when you purchase a Bobike mini seat. If you want an additional bracket or need a replacement, this is the spare part you need. This bracket fits standard steering tubes Ø 22 to 32 mm and MTB bikes steering tubes: 1-1/8". Meets EN14344 safety standard.

**product dimensions:** 10 x 8 x 3,5 cm or 3,94 x 3,15 x 1,38" (W x D x H).

**Ref.** 8015300043

### Handlebar + Handlebar Screw

The Exclusive mini plus features a little handlebar that lets kids actively participate.

**Ref. Handlebar** 8015300120

**Ref. Screw** 8015300121

### Windscreen Attachment Bar

This bar attaches the Exclusive windscreen to the rear part of the handlebar of the Exclusive mini seat.

**Ref.** 8015300122 (black) | 8015300161 (off-white) | 8015300162 (denim deluxe) | 8015300208 (urban grey) | 8015300259 (toffee brown)

exclusive® maxi plus

# exclusive® maxi plus

rear bicycle safety seat for frame and carrier mount

**Bobike EASY mounting system** ensures super quick installation and makes it a breeze to place the seat on a second bicycle. The seat can be moved back and forward according to any carrier and child size. Compatible only with carriers, in accordance with ISO 11243.

**The frame mounting system** is already integrated into the frame bar. This makes the seat lighter and easier to mount. It fits on round seat tubes and fits on bikes with or without a carrier.

**Ref. Pin** 8015300114

### Shoulder Pad

The Exclusive maxi and tour plus feature a new safety belt with comfortable shoulder pads. These shoulder pads are made out of the same high quality, waterproof material as the cushion and come in a color to match the seat. The Velcro closure makes them easy to adjust and replace.

**Ref.** 8015300253 (urban black/urban grey) | 8015300254 (safari chic) | 8015300255 (cinnamon brown) | 8015300256 (denim deluxe) | 8015300257 (toffee brown)

### Maxi Combination Lock

Extra security and protection for your Bobike seat, now available as a spare part.

The combination lock is easy to install (see website for video guide) and fits through the two little holes in the storage part of your Bobike Exclusive rear seat. Length - 85 cm.

**Ref.** 8015300206

### Frame Mount

This new metal frame mounting bar eliminates the step of having to mount the Easy mount to the frame bar because the mounting system is already integrated.

**Ref.** 8015300219

### Mounting Bracket (tool included)

**Ref.** 8015300142

### E-bike Luggage Carrier- EASY Mounting System (E-BD)

Bobike's EASY mounting system ensures super quick installation and makes it a breeze to place the seat on a second bike. The EASY mounting system fits on carriers with a width of 120 - 175mm and was specially designed to fit on both e-bikes and regular bicycles. The EASY mounting system complies with the EN 14344 safety standards.

**Ref.** 8015300053

### EASY clamps for wider and special shaped carriers - accessory

Exchange the clamps of your EASY mount plate with these clamps for special carriers and safely mount a Exclusive maxi on carriers with a width between 125-180 mm and with round or oval tubes with a diameter between 16-23 mm.

**Ref.** 8015300200

### LED light

Replacement LED light is now available as a spare part. The LED light is easy to install and can also be mounted on the previous models Exclusive maxi and tour as well.

**Ref.** 8015300204

## exclusive® helmets

safety helmets xs & s

The sophisticated Exclusive seat now has a high-end helmet to match the look. With an in-mold construction, this matte-colored model features increased back safety protection, along with reflective safety stickers to increase your child's visibility on the road. With 11 vents to help keep your child's head cool, the helmet also features a bug net to keep your child safe from flying insects. The comfortable DIAL system and the thermoformed inner paddings will increase the fit and comfort for everyday use. Complies with Standards EU regulation 2016/425 EN1078.

## **bobike accessories** for your bobike safety seats

We offer you a wide collection of accessories so that you can enjoy even your daily commuting no matter the time of the year or the brand of your bicycle.

From a rain cover to keep your seat dry, to a winter cover to keep your little one warm, discover the full collection of accessories we offer you to keep your baby cozy, comfortable, and safe while exploring the world.

**For our accessories, we only use materials of the highest quality, just like we do for our safety seats.**

*So, no more excuses  
to start exploring, no  
matter the weather!*

**NEW AHEAD ADAPTOR**

## a-head adapter plus

for bikes with 1 1/8 stems

*new*

The Bobike A-Head Adapter Plus allows bobike front seats to be installed on a-head stems with limited mounting space. With this a-head set, the required installation space is only 4mm / 0.16".

Making the world of child seats a little more accessible to everyone, and reaching the most compatibility possible between bicycle manufacturers and Bobike front seats, we have developed this A-Head Adapter Plus, a sturdy slim bracket that you to mount your Bobike front seat to bikes with threadless stems.

The A-Head Adapter Plus is designed to accommodate adjustable stems, e-bikes with a monitor or controller at the top of the stem, and MTB with 1 1/8 stems.

Compatible with all bobike front seats with front head tube mounting system.

This A-Head Adapter Plus allows you to easily mount your bobike front seat with a Bobike windscreen.

## winter cover

multifunctional thermal child and seat cover to keep your baby warm and dry

by **TUCANO**urbano

The weather should never be a reason for you not to use your bike. In order to make your daily commute as comfortable as possible, no matter the weather, we partnered up with Tucano Urbano to create the softest, warmest Winter Cover.

The Bobike Winter Cover has a thermal fleece lining, is completely wind- and waterproof, and has a stowaway hood for your child that offers plenty of space to wear over a helmet. Reflective details ensure that you and your child are extra visible in the darker days of the year.

When the child is not in the seat you can easily adjust the Bobike Winter Cover so it functions as a rain cover for the seat.

**product dimensions**  
mini: 102 x 75 mm / 4.01 x 2.95"  
maxi: 105 x 90 mm / 4.13 x 3.54"

**product weight**  
mini: 550 g / 1.21 lb  
maxi: 850 g / 1.87 lb

### safety

Reflective bands for increased road visibility.  
Rain hood is compatible with helmet usage.  
In compliance with REACH regulations.  
Compatible with Bobike Combination Lock.

### comfort

Waterproof and windproof outer layer  
Sealed zipper to store the hood cap/rain cover.  
Adjustable hood cap.  
The rain cape for the child becomes a rain cover for the bike seat.  
3 positions for protecting the child – chest, neck, head.  
The Maxi version contains spread springs in the back and legs area, preventing the rain from wetting the child.  
Easy to install and remove without disassembling the seat.  
Easy to clean just with soap and water.

### other features

Interior material: 100% polyester.  
Outer material: 100% polyamide.  
Waterproofing: 5000mm water.

## transport & mobility

### other ways to move with bobike

---

Bobike has an extensive collection of products to support your adventures safely and in style and to introduce your children in a fun way to a happy and healthy lifestyle.

Above all, we promote cycling mobility as a way of life, and a greater means of transport, so we add to our collection some exclusive accessories to help you and your little ones to move in style.

*Keep moving.  
The world is waiting  
for you.*

# bobike trailer *2 in 1*

for 1 or 2 kids, or cargo

**The Bobike trailer is a lightweight 2-in-1 trailer and stroller that is specifically designed for families with an active lifestyle.**

With the Bobike bicycle trailer you get the most out of your active lifestyle. You can share it with your children, no matter the season or your destination.

## *for biking*

With the Bobike trailer, no matter the season or the destination, your daily commuting has been made easier with this lightweight, and easy-to-use trailer.

You can easily couple the trailer to your bicycle and tackle with 1 or 2 kids plus a small cargo on the back trunk (max. 44kg).

If you are riding and need extra space to transport additional cargo (max.25kg), you can easily fold the kids' seat and get a bigger area for cargo transport.

## *for strolling*

The Bobike Trailer comes with all the necessary accessories to easily transform your trailer into a stroller.

The stroller features a soft-touch handlebar adjustable in 4 positions, making your tour even more pleasant. On the inside, you will find a wide cockpit with extra pockets for small items, along with a protective foot mat and a comfortable seat, and a 5-point retention system for 1 or 2 kids.

**bobike trailer**

*2 in 1*

# bobike trailer

multifunctional bicycle trailer & stroller for 1 or 2 kids

The Bobike Trailer is a multifunctional bicycle trailer that can be used as a bicycle trailer or a stroller. To use it as a trailer just connect it to the bicycle wheel with the provided mounting system.

Bobike Trailer can comfortably carry one or two children inside.

The head protection, the net, the soft cushion, and 5-point safety harness system will keep children comfortable and safe during the ride.

Easily go for a walk with your children in the Stroller mode. You just need to retract the front metal bar, adjust the handlebar, and install the front wheel. In just a few seconds, without needing any tools you're ready to go. It can also be used as cargo transport to carry your sports equipment or shopping bags.

**balance bike**

# bobike balance bike

training bicycle for toddlers

The Balance Bike has a built-in handlebar limiter that helps the little rider to control how far he or she turns the handlebars. The handles are made of comfortable rubber. The ergonomically shaped seat is adjustable in height so that the child can enjoy the balance bike for as long as possible. The shock-absorbing 240 mm wheels made of EVA material offer extra comfort and cannot be punctured. The Balance Bike comes in two color combinations.

**product dimensions**  
800 x 405 x 500 mm  
31.5 x 15.94 x 16.69"

**product weight**  
3 kg / 6.61 lb

**tool included**

**child weight maximum**  
25 kg / 55.12 lb

**child age recommended**  
2 - 5 years

## safety

Steering limiter to help children maintain control of the handlebar. Children are seated so that they can reach the ground during their ride and find their balance.

Meet CE-EN71.

- This item is considered a toy.
- Not to be used on public roads.
- Item must be used under parental supervision.

## comfort

Ø 240 mm EVA wheels and shock absorber for extra comfort for your child.

Soft cushion on the seat.

Back support in the saddle preventing the child from slipping.

Soft grips for extra comfort on your child's bike.

## other features

Adjustable seat height in 3 positions (320-335-350 mm).

Foldable wheel for easy storage.

Easy to assemble.

Tools included.

This product is sold in an individual box.

Foldable

Adjustable up to 3 positions.
